

# HALLOWEEN POKER CHALLENGE

THURSDAY, OCTOBER 31<sup>ST</sup>, 2024

The HALLOWEEN POKER CHALLENGE takes place on **Thursday, October 31, 2024** at Casino Baden, Bregenz, Graz, Salzburg, Velden and Wien. The players with the **highest winning hands** (high hand) and the players with the **highest losing hands** (bad beat) receive a total of more than **€ 5,500\*** at midnight. The exact breakdown of the prizes is displayed in the respective casino.

The players with the highest winning hand in Austria and the highest losing hand in Austria each receive a **CAPT Million ticket worth € 550\*\***.

## ELIGIBILITY

On the day of the action, all persons over the age of 18 are entitled to participate in the poker cash game in accordance with the visiting and gaming regulations of Casinos Austria AG. Official photo identification required.

## PAYOUT

The prizes are paid out on October 31, 2024 at midnight in the participating casinos. The winners must be present at the payout. If a winner is no longer present when the payout is made, the winners in the next row follow.

The players with the highest winning hands and the players with the highest losing hands receive a total of up to **€ 500** in chips in the casinos Baden Graz and Velden. The players with the highest winning hands and the players with the highest losing hands receive a total of up to **€ 1,000** in chips in the casinos Bregenz, Salzburg and Wien. The exact breakdown of the prizes is displayed in the respective casino.

**Austrian-wide high hand and bad beat:** The Austria-wide prizes will be presented to the winners on their next visit to one of our twelve casinos in Austria, even if they were no longer present at midnight on October 31, 2024 when the payout was made. The player with the highest winning hand in Austria and the player with the highest losing hand in Austria each receive a **CAPT Million ticket worth € 550**.

## PARTICIPATION AND DRAW MODE

At least four players must play at the table to participate in the HALLOWEEN POKER CHALLENGE. The HALLOWEEN POKER CHALLENGE takes place in Texas Hold'em from blinds 1/3 from the first table opening until midnight.

The highest winning hands (high hand) must be at least a flush or higher. At least one hole card must be used and the board must be upgraded. The showdown is necessary and the hand must be confirmed by the floorman.

The highest losing hands (bad beat) must lose at the showdown with at least a flush or higher. At least one hole card must be used and the board must be upgraded. The bad beat must be confirmed by the floorman.

The floorman performs a ranking of the highest winning and losing hands and publishes the hands on the poker floor. If the high hands are the same, the payout is divided (no color evaluation).

\*) In the casinos Baden, Graz and Velden you can win a total of up to € 500 each and in the casinos Bregenz, Salzburg and Wien you can win a total of up to € 1,000 each.

\*\*\*) The Austria-wide prizes will be presented to the winners on their next visits.
